**14 December 2018:**

## **General Chapters and the use of media**

**Are you thinking about using  
media for your general chapter or  
other large meeting?**

**What do you need to consider?  
How can it enhance your meeting?**

This gathering will feature a panel discussion about general chapters (or other kinds of large meetings). Members will share experiences in the use of modern media at and for a general chapter.

**Workshop in English with translations to French**

**In collaboration with**
